Call to Order
Chairperson Williams called the meeting to order at 12:30 p.m.

A motion to allow the participation of Ms. Reliford via teleconference was made by Ms. Duncan and seconded by Dr. Blair. The motion carried unanimously.

Approval of Minutes
A motion to approve the minutes of April 26, 2022 was made by Mr. Salzer and seconded by Mr. Reneau. The motion carried unanimously.

Regional Office of Education
➢ Monthly Update
Ms. Crider provided an update on the activities of the Regional Office of Education:
• Ten students recently graduated from Peoria Regional Learning Center.
• The Peoria Regional Learning Center will be moving into the Franciscan Recreation Complex in the fall of 2022.
• Preschool for All has a large allotment for summer school and a summer school “bootcamp” is being held to prepare four-year-old children ready for kindergarten.
• The remote site in Edwards, IL has been closed in anticipation of a move to a more digital platform. Allotments from the State of Illinois are being utilized to purchase an online digital platform and will be hiring a digital content specialist and a professional learning services coordinator. The same allotment will allow the expansion of truancy services.
• Highlighted several school safety initiatives, including Safe To Help tip line, site based assessments, annual safety meetings, and multi-tiered systems of mental health support.

➢ Sustainability & Resource Conservation
Ms. Cottrell provided an update on activities:
• A Household Hazardous Waste collection was held May 14th with 505 participants, 477 of which were from Peoria County.
• Unincorporated townships continue to meet to discuss the contracting of refuse and recycling collection and are scheduled to meet again on July 13th to discuss resident surveys on waste and recycling improvements.
• A Unit of Local Government tire collection held last week saw 800 tires collected from 13 units of government.
• Electric usage in all facilities for the first quarter of 2022 saw a 10% decrease over 2021, with natural gas decreasing 3.4% over last year.

➢ TRIAD
Mr. Reneau advised that Peoria County has been voted in as a member of TRIAD. He noted their passion for the services and education provided to seniors, as well as the financial struggles of the organization. He stated that TRIAD is striving to create a website as well as seeking an individual to create and manage a Facebook account. He asked for input from county board members and/or county departments as to topics for seniors.

➢ Project Labor Agreement for construction of new Health & Human Services Campus
Mr. Sorrel advised that Project Labor Agreements (PLA) are a practice that the County Board has instituted for all major projects, including the construction of the Peoria Riverfront Museum, the Juvenile Detention Center, and the Jail addition. He explained that the PLA for the Health & Human Services Campus would be a contractual agreement between the County as the building owner, the Construction Manager at Risk or General Contractor, and the West Central Illinois Building and Construction Trades Council. He advised that the Agreement identifies workforce participation goals for minorities and women on the job site, establishes criteria for craft and trade unions, and governs and prevents disputes or work stoppages on the job site.

Committee Action
➢ Review of Executive Session Minutes
A motion to accept the recommendation of the State's Attorney's Office was made by Ms. Groves Allison and seconded by Ms. Bryant.

Ms. Cordis Boswell advised that it is the recommendation of the State’s Attorney’s Office that all previously held executive session minutes continue to be held closed as the need for confidentiality still exists, and to destroy executive session audio recordings more than two years old, except those that relate to pending litigation.

The motion to approve carried unanimously (10-0).

Adjournment
The meeting was adjourned by Chairperson Williams at 12:54 p.m.

Recorded and Transcribed by: Jan Kleffman
Call to Order
Vice-Chairperson Duncan called the meeting to order at 5:00 p.m.

Resolution
➢ Project Labor Agreement for construction of new Health & Human Services Campus
A motion to approve was made by Mr. Reneau and seconded by Mr. Rieker. Mr. Sorrel advised that, as is past practice on major capitol projects, staff sought a Project Labor Agreement with the craft unions under West Central Illinois Building and Construction Trades Council. He stated that the Agreement ensures an adequate supply of labor from various craft unions during construction, includes a dispute process, prevents and protects Peoria County from work stoppages during construction, and establishes workforce goals of minority participation of 18% and women participation of 5% for the construction portion of the project.

The motion to approve carried (7-0; Ms. Williams abstained. Ms. Groves Allison, Ms. Bryant and Ms. Pastucha absent).

Miscellaneous
Mr. Reneau advised that the Center for Prevention of Abuse unveiled a CityLink bus with a wrap promoting their Ombudsman services, and have filled the Long Term Care Ombudsman position.

Adjournment
The meeting was adjourned by Vice-Chairperson Duncan at 5:06 p.m.

OTHERS PRESENT:

**Item 1 – Call to Order**
The meeting was called to order at 6:01 pm by Dr. Armmer.

**Item 2 – Pledge of Allegiance**

**Item 3 – Public Comments**
There were no public comments.

**Item 4 – President’s Comments**
Dr. Armmer shared that the Board received a letter on behalf of the Delta Sigma Theta Sorority expressing their appreciation for the activities of PCCHD and recognizing that they take pride that a couple of their members are Board of Health members, Dr. Reed and Dr. Armmer.

Dr. Armmer shared that the Board received a thank you note from the Environmental Health team thanking them for their presence and treats during Public Health Week.

Dr. Armmer thanked the Board Members who were able to attend the County Board meeting and witness the adoption of the site resolution for the campus.

Dr. Armmer stated that Ms. Hendrickson was awarded her 10-year pin at the County Board meeting as well.

Rev. Duren entered the meeting at 6:06 pm.

**Item 5 – Consent Agenda Items**
Ms. Mitchell made a motion to approve the Consent Agenda Items. Motion was seconded by Dr. Reed. Ms. Hendrickson reviewed the Personnel Report stating that under current open positions, previously there was a position listed as Epi/Clinical Services Union 1 FTE, and it was still going through the County HAY process. That position is now for a Certified Medical Assistant and has been posted. Motion carried (8,0).

**Item 6 – Financial Services Report and Summary for Period #03/FY2022**
Mr. Gulley stated that some of the report references to February as a mistake, but these numbers are through March. Mr. Gulley reviewed the financial services numbers in the packet. The year was started with $4,887,345 and now total revenues are at $2,000,484. Total expenses are at $1,559,753 leaving the change to reserve fund of $440,731 and the ending balance $5,328,076. Rev. Duren made a motion to accept the Financial Services Report and Summary for Period #03/FY2022. Motion was seconded by Mr. Webster. Motion carried (8,0).

**Item 7 – Committee Reports**

**Strategic Planning Committee**

Ms. Mitchell stated the Committee had met and heard presentations and reports that will also be presented tonight.

**Community Fridges Presentation**

In Environmental Health Coordinator, Stephanie Streicht’s absence, Ms. Hendrickson presented on Community Fridges.

**Epidemiology Data Reports**

Epidemiologist, Tracy Terlinde, gave presentations on the 2020 Maternal and Child Health report and the 2021 STI report. Both reports were included in the packet as well as the 2019 and 2018 MCH reports.

Ms. Duncan left the meeting at 6:48 pm.

Ms. Duncan re-entered the meeting at 6:50 pm.

**Item 8 – Old Business**

**COVID-19 Update**

Ms. Hendrickson stated that cases are going up and today was one of the highest hospitalization rates, about 14 Peoria County residents. OSF reported only 10 beds in use, which is not just Peoria County. She added that there are big pushes to get second round boosters through the long-term care facilities.

**Item 9 – New Business**

**Peoria County Board of Health Bylaws**

Ms. Hendrickson stated the Board of Health Bylaws are in the packet. She wanted to highlight a few things for review. The Board has 3 Officers: the County Treasurer (non-voting member), President, and Secretary. The President and Secretary have one-year terms and they can only be re-elected for on more consecutive year. At the end of this year, both the current Secretary and President cannot be re-elected as they will have served the maximum of two consecutive terms. Ms. Hendrickson stated that if you plan on running for Office, you cannot be on the Nominating Committee. If you’d like to be on the Nominating Committee, please let Amy Roberts know. Ms. Hendrickson reminded the Board that this is a Board of 12 members, we currently have one vacancy. Two members have to be licensed physicians (Dr. Na’allah and Dr. Cadet-Saintilus) and one dentist (Dr. Davis) and one County Board Members (Ms. Duncan). When the Board is full, a quorum is seven and Board Members are allowed to attend by other means than a physical presence but must be for a valid reason. An in-person quorum still needs to be present to accept someone with a non-physical presence. Ms. Hendrickson noted that Public Comments gets 5 minutes per person, with a maximum of 20 minutes on one topic and the Board does not debate the topic. Ms. Hendrickson reminded the Board that they are a Governance Board, not an Operational Board.

Strategic Planning Committee Schedule
Ms. Mitchell made a motion to amend the Strategic Planning Committee meeting schedule. Motion was seconded by Dr. Reed. Ms. Mitchell stated they are looking to change their meeting schedule to meeting on the odd months, starting in July, instead of every month. Ms. Mitchell noted that with the number of agenda items, meeting every month was not needed. Motion carried (8,0)

**Item 10 – Miscellaneous**
Ms. Hendrickson stated that last Thursday, the County Board did approve to build the new campus on the existing site and now they're in full planning mode and are looking for new locations to temporarily move staff to around January 2023 during deconstruction and construction of the new building. Ms. Hendrickson sent emails on Friday to IDPH and Heartland to request space for some of their programs. They have been given timelines, so if they can’t reach their needs, they can look elsewhere. Ms. Hendrickson’s goal is to have a firm plan of where all the staff are going by August this year. That will lead into phasing people out of the building appropriately. She stated there is a meeting with IT tomorrow to talk about the phone lines, as it’s a limiting agent right now.

Ms. Hendrickson stated they will be hosting a press briefing on Thursday regarding the formula shortage with their WIC Coordinator and an OSF Pediatrician and the issues that go along with that.

Ms. Duncan left the meeting at 7:25 pm.

**Item 11 – Adjournment**
Being no further business, a motion was made by Mr. Webster to adjourn the meeting. Motion was seconded by Dr. Davis. Motion carried (7,0).

Meeting adjourned at 7:26 pm.

Respectfully submitted,

Mike Kennedy, MSEd
Secretary

ISSUE: Sustainability & Resource Conservation Update

Following are highlights of recent activities and upcoming events and projects

Collections:

- **Electronics Collection**
  The county has opted into CERA again requesting up to 4 single day collections and 1 permanent electronics collection site. Limestone township will host another collection for residents in September.

- **Household Hazardous Waste**
  Peoria county partners with IEPA for collection of household hazardous wastes annually. McLean and Sangamon counties are closest collection this Fall. Peoria County will host again Spring 2023.

- **Unincorporated Townships**
  Limestone township is helping to coordinate the efforts of other townships to contract a base level of refuse and recycling collection for unincorporated residents. Township staff will meet next September 6th at the Peoria City County Health Department to discuss surveying residents about waste and recycling improvements for their residents.
  A resident survey is posted on Limestone Townships website and the Sustainability department’s events page, peoriacounty.gov/201. This survey is to help determine current level of waste and recycling service, and desired service level for unincorporated residents. All survey results will be shared with township supervisors. These survey results and discussion within townships may lead townships to choose placement of a referendum on the Spring ballot. If residents choose, the townships could request proposals for uniform waste and recycling collection services for their unincorporated residents.

Composting

- Health Dept and JDC staff continue to use the cart collection program for food scraps.
- Staff is expanding collaboration with Tazewell County Health Department’s Green Initiatives team on composting, food preservation, and recycling projects.
- Working with Sodexo for expanding food scrap composting to a few District 150 schools with a strong parent organization.

Education

- **Tri-County Green Heroes**
  Peoria County SRC partners with WMBD, Tazewell County health departments for Tri-County Green Hero. This program recognizes businesses or organizations that are committed to conserving resources
through composting, recycling, local sourcing, and employee education. Businesses can be nominated through www.HealthyHOI.org

- **C-PACE Publicity**
  Communications helped make a postcard and PDF for distribution to interested parties. Working to increase speaking engagements to promote C-PACE this Summer. Two speaking engagements are booked in August and October.

- **Recycling Campaign**
  An ongoing Facebook campaign entitled “Sustainability Sunday” features educational tips for residents.

**Landfill Committee**
Receipts have been steadily declining the past few years. January-March 2022 is up 1500 tons over first quarter of last year.
Landfill committee met July 13th. The next Peoria City County Landfill Committee is scheduled for August 24th at 3:00pm. The committee will continue to meet on a six-week schedule.
Agendas/documents can be found at www.peoriagov.org/boards-commissions/ Select Solid Waste Disposal Committee (Landfill)

**Regional Food Council**
Regional Food Council of Central Illinois meetings are resuming members continue to support the work of partner agencies.
Building out guides and information on the resource library for food system stakeholders.
Staff will continue to serve on the council, update Facebook page and host monthly webinars with local food system stakeholders. The steering committee is meeting monthly with the next quarterly public informational meeting date to be determined. More info at www.regionalfoodcouncil.org

**Sustainability Update**
Sustainability team is meeting quarterly to review efforts outlined in the Sustainability plan, review utility usage and Identify projects helping to reach goals outlined in the Sustainability plan.
